**GROWN
RESPECTFULLY**
— NESCAFÉ 1938 —

GROWN RESPECTFULLY

— NESCAFÉ 1938 —

Respect for farmers

Improving farmers' livelihoods and resilience by upskilling farmers with business knowledge and diversification.

Respect for communities

We secure the future of coffee by sourcing responsibly and understanding how it's grown, ensuring our coffee is certified through established and internationally recognized partners

Respect for the planet

Coffee farming for a better planet for all future generations by actively protect water sources to maintain the same high yield while using 30 – 40% less water.

MALAYSIA FAVOURITES SELECTIONS

No task is too hot to handle. A top go-to offering from our extensive choice of Malaysian Favourites, conveniently served with our premix solutions. Savour the familiar with Malaysia's favourite drink – MILO®, or take a trip down memory lane as you sip a cup of White Coffee, NesCham, Neslo or a Tongkat Ali Coffee. Enjoy the perfect marriage of milk & tea in an all time crowd pleaser – the frothy Teh Tarik, hot or iced.

All images shown are for illustration purposes only.

CLASSIC FAVOURITES SELECTIONS

Whenever your customers crave a piping hot drink or a delicious hot-over-ice beverage, we're here to ensure that you'll have an array of offerings made easy with our range of premix solutions – from the classic Americano, the velvety Cappuccino, the popular Caffé Mocha, the lovable Hot Chocolate, to a tasty Tea Latte.

INTRODUCING
*WE PROUDLY
SERVE*
STARBUCKS®

Elevate Your Beverage Offer

The Starbucks® brand mission strives to “Inspire and nurture the human spirit – one person, one cup and one neighbourhood at a time.” Harnessing the unique brand values that define ‘Starbucks’, the mission is fulfilled through delivery of a beverage experience that consumers have come to know and love.

With *We Proudly Serve Starbucks®*, you can elevate your beverage offer, delivering the Starbucks mission, attracting consumers and increasing revenue.

A person wearing a red long-sleeved shirt, blue jeans, and a tan baseball cap is walking away from the camera through a lush green coffee plantation. The person has a black strap with the word 'Canon' on it over their shoulder. The coffee plants are filled with green leaves and small red cherries. The background shows more rows of coffee plants and a dirt path.

SUPPORTING FARMERS AND THE PLANET

Starbucks® is committed to 100% ethically sourced coffee, produced in line with its Coffee and Farmer Equity (C.A.F.E.) Practice guidelines. Over one million farmers are supported through initiatives such as farmer support centres, loan programmes, access to credit, forest conservation and the provision of rust-resistant coffee trees – creating a better future for farmers and the environment.

We believe sustainability today is the foundation of a better tomorrow and our commitments include the removal of plastic straws from our offer, discounts for the use of reusable cups and the launch of fully recyclable cups.

SOLUTIONS TAILORED TO YOUR BUSINESS

Whether you're looking for a barista-served offer for your café, a self-serve solution for the office or a portable brewed solution for meetings and events – our innovative programmes are tailored to your customer needs and footfall.

Coffee is at the heart of everything we do and all *We Proudly Serve Starbucks*® coffee is created with the same 100% Arabica beans as Starbucks® stores.

SERVED SOLUTIONS

We train your baristas to serve the perfect drink, to give your customers their favourite Starbucks® beverages, personalised the way they like it.

Our Short, Tall and Grande solutions provide you with a range of Starbucks® favourites, from espresso-based classics such as cappuccino and caffè latte, to iced beverages, hot chocolate, speciality drinks and impulse snacks.

SELF-SERVE FREE-STANDING SOLUTIONS

Bring the Starbucks® beverage coffeehouse experience to your consumers, with the We Proudly Serve Starbucks® free-standing solution.

You can offer a range of everyday favourite beverages, made with Starbucks® signature coffee beans and real milk, through an easy-to-use touch-screen display, from the latest user-friendly espresso technology.

The free-standing solution has been designed with the planet in mind, using FSC-certified wood, fully recyclable menu & campaign POS, and Starbucks CAFÉ practices verified coffee.

KEY FEATURES:

- ★ Coffee House inspired furniture
 - ★ Illuminated logo
 - ★ Recyclable menu & campaign POSM
 - ★ FSC certified wood
 - ★ Cashless payment options or free-vend
 - ★ Fresh beans, real milk and syrups
 - ★ User-friendly touch screen
 - ★ Two coffee bean options
 - ★ Ceramic or paper cups
 - ★ Easy to navigate display
-

SELF-SERVE COUNTER-TOP SOLUTIONS

Designed for office pantries, meetings & events, hotel breakfast bars, and more, the We Proudly Serve Starbucks® counter-top solution is flexible to suit a range of coffee environments.

The premium modular branding kits can be easily installed onto existing counter and wall spaces, providing brand visibility and support for attracting your consumers.

Through the latest user-friendly espresso technology, you can offer a wide selection of our most popular beverages made with Starbucks® signature coffee beans and real milk.

KEY FEATURES:

- ★ Modular branding kits
 - ★ Premium condiment display
 - ★ Plastic-free branding kit packaging
 - ★ Cashless payment options or free-vend
 - ★ Fresh beans, real milk and syrups
 - ★ User-friendly touch screen
 - ★ Two coffee bean options
 - ★ Ceramic or paper cups
-

BREWED SOLUTIONS

Delivering great coffee consistently, and in a convenient solution, our Starbucks® Pike Place® Roast brewed coffee is available in two different formats for different volume requirements. With branded airpots and point of sale support, it's the ideal solution for meetings and events.

Pike Place is a trademark of the Pike Place Market PDS, used under license.

A MENU TO MAXIMISE DAYPARTS

All our served and self-serve beverages are made using authentic Starbucks® recipes and your menu will be focused on a range of drinks to help you maximise all dayparts.

- ★ Espresso-based classics
- ★ Iced coffees
- ★ Hot chocolate drinks
- ★ Seasonal specialities

BEST-IN-CLASS TRAINING SUPPORT & COFFEE EXPERTISE TO DEVELOP YOUR BARISTA TEAM

Immersing your teams in the brand values and educating around the “perfect serve” with our dedicated trainers.

Providing on-site pre-launch training and ongoing support.

Implementing constructive quality audit checks.

Delivering innovative virtual video training around seasonal campaigns and product launches.
